

# SNAFU Con 2013 Schedule

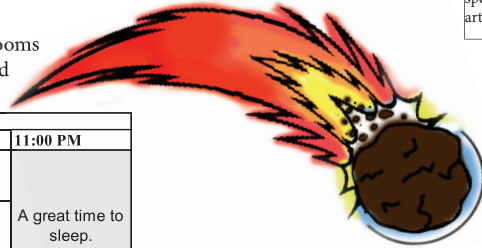

Welcome to SNAFU Con 2013!

It's the end of the world and we're having a party! Or a convention. Same thing, right? You hold in your hands your new best friend - the SNAFU Con 2013 schedule. Keep me by your side and you'll know where to be and when to sleep (please sleep). We have more programming than ever before so make sure you spend a bit of time to get to know me. You should have no problem keeping busy, no matter what your taste happens to be. We have all been working hard to make this an absolutely epic year. Enjoy!!!

Check out the SNAFU Con Materials page. This page can link you to a digital version of every con book and schedule we have. The 2013 schedule is dynamically updated, so if we have changes you'll see them there. Sadly, we can't dynamically update this paper schedule.

OR CAN WE?!

Uhm . . . no, we can't. So you should check this out if you have one of those intelligent phone thingies.
